

Our Mission:

At the Spotlight Project, every child gets to shine in the spotlight!

Our classes are designed to teach beginner musical theatre (acting and singing) to children of all levels of development, ability, and experience.

Working together to put on a show, our young artists practice empathy, creativity, and confidence – all while having fun.

About the Winter Showcase:

At the end of the Fall semester, all students are invited to perform a cabaret style showcase for family and friends.

Unlike the spring musical performance, the winter showcase will not include full costumes. Spotlight T-shirts may be purchased, and small accessories may be used depending on the show.

It will be a compilation of various pieces and solos that the students have worked on in class.

The fall semester is the perfect time for your kiddos to test the waters of theater, and have fun exploring lots of different pieces from all aspects of musical theater.
